SMARTBACT

disinfectant with dispenser 500 ml

HCC100001 - HCC100002

DESCRIPTION

Smartbact is a bactericidal and yeast surgical medical disinfectant developed specifically to kill germs and bacteria ensuring the deep disinfection of evaporators, ventilation ducts and all surfaces.

Its disinfecting force acts in just 5 minutes from its application, thus allowing a very thorough and rapid action. Suitable for application on evaporators.

TECHNICAL SPECIFICATIONS:

- Concentrate (1:25 dilution)
- Works in just 5 minutes
- Ensures an elevated level of disinfection
- Available in packs of 500 ml
